INTERNSHIP EXPERIENCES

I. Dentons Link Legal (June 2026)

- Conducted research on technology, media, and telecommunications (TMT) laws, with a particular focus on artificial intelligence governance, digital regulation, and emerging technology policy.
- Assisted in reviewing draft regulatory frameworks on AI by identifying legal gaps, compliance considerations, and policy recommendations.
- Prepared legal research notes, case summaries, and analytical memoranda on technology-related areas, digital platforms, and regulatory developments.

II. Office of Hon'ble Mr. Justice Saurabh Banerjee, Delhi High Court (Feb 2026)

- Prepared concise case briefs of listed matters, including facts, issues, arguments, and procedural history.
- Observed daily court proceedings across diverse civil and criminal matters to understand courtroom practice and judicial reasoning.

III. Areness Law (Jan 2026)

- Worked on matters relating to the IBC, 2016 and SARFAESI Act, 2002, assisting in recovery and insolvency-related issues.
- Conducted legal research and case law analysis across Supreme Court, High Courts, NCLT and NCLAT.
- Assisted in drafting agreements and property descriptions for transactional and recovery matters.

IV. NITI Aayog, New Delhi (Jun 2025)

- Conducted research on the Blue Economy and emerging environmental conflicts.
- Analyzed Supreme Court judgments concerning the Enforcement Directorate and language rights in local governance.
- Assisted in preparing a cybersecurity policy brief, integrating provisions of the Digital Personal Data Protection Act, IT Act, and CERT-In frameworks.

V. Adv. Abhishek Tawri, Churu (Raj) (Feb 2025)

- Assisted with the practical application of legal knowledge during case preparation.
- Engaged in client interaction and counselling support under supervision.
- Observed and learned courtroom procedures and professional etiquette.

- VI. Ministry of Law and Justice, New Delhi (Jan 2025)**
- Assisted in drafting and vetting legislative texts, including Bills, Ordinances, and regulatory drafts.
 - Worked on statutory interpretation exercises for policy analysis.
 - Conducted research supporting public policy formulation.
- VII. Ministry of Commerce & Industry (June 2024)**
- Assisted in trade policy and economic research.
 - Conducted data analysis and comparative policy studies.
 - Prepared policy recommendations, reports, and briefing notes.
- VIII. People's Union for Civil Liberties (PUCL), New Delhi (Feb 2024)**
- Conducted human rights law research on civil liberties issues.
 - Participated in fact-finding exercises and field-based documentation.
 - Assisted with policy analysis and reporting.
- IX. Adv. Vijay Kaswan, Churu (Raj) (Jan 2024)**
- Conducted case law and statutory research to support ongoing litigation.
 - Assisted with case preparation and court filings, including drafting and filing procedural forms.
 - Observed court proceedings and advocacy practices.
 - Gained foundational understanding of trial procedure and court management.
- X. Project Intern at LIDSS by NLU Meghalaya & IIT Kharagpur (Jan - Jun'25)**
- Assisted in development of a legal-tech platform integrating law with data science.
 - Supported research linking legal datasets with technological applications.
 - Worked on interdisciplinary collaboration between law and technology teams.
